First Skills is Coerver Coaching's market-leading program for beginner players. First Skills is more EDUCATIONAL, EFFECTIVE and FUN than any other introductory soccer skills program. It builds the essential foundation young players need before they step into organized, competitive team play. The mission of First Skills is to develop a solid soccer foundation based on ball mastery, shooting technique and how to play in small-sided games. This program focuses on developing strong listening skills, extended concentration time, speedy reactions and core social skills for communication and cooperation.

Classes are limited to 10 students, but multiple groups are a possibility, depending on enrollment.

Parents will pick up students in the K-8 carpool line at 3:30 pm. Mustang Club students will be escorted to after care.
